ABOUT US

A FAMILY LEGACY

We are a 2nd generation family-owned business. Our vision is to provide an Air Conditioning company that is built on integrity and trust. We deliver an unmatched customer service experience, which results in the highest level of respect from our community and employees. We want our customers to feel like family as they have truly been the heart of our company since 1988.

OUR FOUNDER
JOHN SMITH

WHY I SHOULD JOIN

A COOLING SYSTEM THAT IS 20% UNDERCHARGED IS 50% LESS EFFICIENT

REGULAR, SCHEDULED SERVICE REDUCES THE RISK OF COSTLY BREAKDOWNS BY FINDING SMALL PROBLEMS AND FIXING THEM BEFORE THEY BECOME BIG ONES!

REGULAR, SCHEDULED SERVICE ENSURES THAT THE MANUFACTURERS WARRANTIES WILL BE HONORED IF MAJOR REPAIRS ARE NEEDED

A HIGH PERCENTAGE OF WATER DAMAGE IN HOMES IS CAUSED BY CLOGGED DRAINS ASSOCIATED WITH HEATING AND AIR CONDITIONING SYSTEMS.
